

AT A GLANCE:

Over 90% Job Placement! Our Career Services department has helped over 44,000 graduates into over 1500 companies! Coleman offers a unique **"Inverted Curriculum"** - essentially students are enrolled in all the computer and technology courses **first!** This helps students get a job much sooner.

Accredited by ACICS - The Accrediting Council of Independent Colleges and Schools.

Coleman is a private, **non-profit institution**, centered in Information Technology education.

Coleman offers **online classes** in general education - so if students would like to continue their education, they can do so much easier while working from home.

Voted **"Best Business & Vocational School"** by the San Diego Union Tribune readers 5 years in a row!

Coleman provides "hands on" training and small class sizes to maximize individual instruction.

Coleman is affordable! Once accepted, Coleman offers financial assistance to those who qualify in areas of: Grants, Government Guaranteed Loans, GI/TA/VA and Retraining (TRA) and Vocational Rehab tuition benefits.
